

Front-End Developer

Description

We are looking for a talented Front-End Developer with 1-2 years of professional experience. The ideal candidate will have strong proficiency in HTML5, CSS3, advanced JavaScript, and its frameworks. This role involves translating design concepts into interactive, user-friendly web applications, ensuring optimal performance across various devices and platforms.

Key Responsibilities:

- Develop new user-facing features using HTML5, CSS3, and JavaScript.
- Ensure the technical feasibility of UI/UX designs and optimize applications for maximum speed and scalability.
- Collaborate with back-end developers to integrate front-end components with server-side logic.
- Ensure high-quality graphic standards and brand consistency.
- Stay up-to-date on emerging technologies and industry trends.

Qualifications:

- Bachelor's degree in Computer Science, Information Technology, or a related field.
- 1-2 years of professional experience in front-end development.
- Strong proficiency in HTML5, CSS3, and JavaScript.
- Experience with JavaScript frameworks such as React, Angular, or Vue.js.
- Familiarity with responsive design principles and cross-browser compatibility issues.
- Understanding of SEO principles and ensuring that application will adhere to them.
- Excellent problem-solving skills and attention to detail.
- Ability to work effectively in a team environment and communicate clearly.

Benefits:

- Competitive salary based on experience and skills.
- Opportunity to work on diverse and challenging projects.
- Collaborative and inclusive work environment.
- Professional development opportunities and continuous learning.

How to Apply: Interested candidates are invited to submit their resume, a cover letter detailing their relevant experience, and a portfolio of recent projects to hr@galtech.org. Please mention the designation you are applying for in the subject line. Alternatively, you can contact us at +91 480 2951674 for further information. We look forward to reviewing your application.
